

3. What would the **main topic(s) of interest** for the event be? Do you have a **specific theme you would like to approach**? Would you suggest a **tagline** for the event? (for example something *concrete* like sustainability and deeptech, or something conceptual like getting ready for the changes to come in the next 10 years)

4. Are there specific and **special elements that you would like to have in the programme** you would like to host for the EU|BIC community? (for example, a pitching session for companies, an specific cultural element, a hackathon)

5. Do you have specific partners and/or sponsors that you strongly believe would be able to contribute to the event?

6. What do you foresee the budget to be? How much do you believe your organization could invest in the event, and how much do you believe you could raise in sponsorships – monetary or in-kind)?
